04/15/18	Service and atmosphere was good but it was overpriced . Avocado in my meal was brown and the kids burgers were so over cooked they were like hockey pucks <small>Posted by Emily B. on April 15, 2018</small> <i>Responded (April 16, 2018)</i> Hi, Emily. 04/16/18	One of the best meals, evah! Atmosphere was perfect. We were not rushed, just left with plenty of time to relax, visit and enjoy. I had tuna on jasmine rice with avocado and cukes. Perfection. <small>Posted by Rosemarie G on April 16, 2018</small>	Miami (Beach location) FL		★★★★☆
